Embargoed until June 12, 2020

Trollbeads once again plays with customers and collectors

Trollbeads lets collectors decide the beads of a unique, limited edition through a fun and engaging event.

The Uniques is a heart-warming story that involves a joint venture between Trollbeads and artisans around the world. The story started more than ten years ago in Dharamsala, India, and the concept was originated out of a vision of infusing commerce, hope and new life into communities that would not otherwise have had the opportunity.

The Uniques beads are all unique art pieces, and every bead is individually handmade in front of a red-hot, open flame. After the first beads saw the light of day, they quickly became a collector's must-have. The collectors search widely to get hold of the best and most beautiful Uniques. Trollbeads is world famous for the enchanting way it plays with glass.

A search for the six most coveted Uniques

This year for the first time, this treasure hunt has been turned into an event, where people could upload images of their favourite Uniques on a special developed event site. After an upload phase, everybody could vote for their favourite, and the winning six beads have been produced and is now released as a limited edition.

The limited edition beads are different in look, but still you can feel a love for organic patterns. The People's Uniques 2020 Kit can be bought both as a kit and as individual beads.

The six different, handmade designs are: Night Sky Glitter, Multicolour Spirograph, Traces on Purple, Waves of Sea, Everchanging Lotus and Flowers of Purity.
