TROLLBEADS FATHER'S DAY 2022

A gift for the wisest man

Trollbeads releases a strong bead for all wise fathers out there

He is the wisest man of all. The one to turn to, when you need answers or advice. He makes you feel safe.

Yes, we are talking about fathers. Again, it is time to thank fathers for their wisdom, love and protection. He deserves nothing but the best. Therefore, for Father's Day, Trollbeads launches the bead for all the great fathers out there: Tree of Wisdom. A strong bead in Sterling silver.

The tree of life represents an everlasting symbol of vitality, unity and connection to the family. It symbolizes strength, knowledge, and one beautiful thing we all can relate to: Life. The shared roots are linking us to our past and future generations with each new branch representing a new life.

Men's jewellery is a strong tendency

A Trollbeads bracelet with the Tree of Life is a memorable way to express love and gratitude for the person who gave you life.

Within recent years, an increasing number of men have started wearing jewellery. This is one of the most trending fashion tendencies and men still crave even more jewellery. The tendency is for all types of men – from the classic man with a tie to the ones with a raw style. Make your father or husband join the trend and let him send out a statement of elegance and strength.

Use the Tree of Life bead on bracelets or necklaces from the Trollbeads collection. Try it on a leather bracelet. Or be bold and think silver, gold, gemstones, colours, and sometimes a bit more sparkle than you would first assume.

If you are in for a real treat, you can let the new Tree of Life be accompanied by the bead Paternity in Sterling silver and 18K gold. The bead is featuring a father and his child playing. The time a child spends with his or her father bonds the two for life.

Trollbeads is the original, high quality bead-on-bracelet concept offering hundreds of beautiful beads – each a little work of art - so that every bracelet becomes entirely personal.

The collection is available in stores and online from **March 4, 2022**.

FACTS:

Trollbeads started life in 1976 in a small jeweller's store in Copenhagen, Denmark, and is the original beads-on-bracelet brand.

Trollbeads is an exquisite set of interchangeable jewellery pieces. At the heart of the collection are the beads themselves. Each piece in the Trollbeads collection has its own little history, taking its inspiration from mythology, astrology, fairy tales, fauna, spirituality, cultural diversity, and last but certainly not least, in the familiar things of everyday living. Trollbeads products include beads on bracelets, necklaces, earrings, rings and accessories.

This diversity gives the customers the unique experience. They become the designer when they create their own personalized jewellery and they decide which story they want to tell. Women all over the world have discovered this original jewellery concept, which, while meeting demands for high quality, still satisfies individual tastes and preferences.

Trollbeads jewellery is made from the highest quality raw materials, including 18-karat gold, Sterling silver, Italian glass, freshwater pearls, amber and precious stones, and is created from a blend of traditional and modern techniques. In 2001, Trollbeads started to design glass beads, which quickly became very coveted beads. Trollbeads is world famous for the enchanting way it plays with glass. Each glass bead is individually handmade from red-hot glass in the open flame and no two Trollbeads are ever completely alike.

Trollbeads is a part of Danish Design legacy, which is known for its simplicity, functionality and quality. Design is what drives Trollbeads and it is the designers who create the collection; they use the highest quality material and craftsmanship. To this date, more than 60 designers have contributed to the Trollbeads collection. Trollbeads has won international artistic recognition and has been exhibited at Sculpture Objects & Functional Art in Chicago and New York.
