### Colour up your day with stunning glass beads

**"Colours, like features, follow the changes of the emotions," Pablo Picasso.**

Sometimes we all need to add a little colour to the daily life. Artists have long believed that colour can affect moods, feelings and emotions. "Colours, like features, follow the changes of the emotions," the artist Pablo Picasso once remarked.

It is time for happy shades, casting shimmer to your life and bracelet. Trollbeads now introduces limited edition Twinkle collection.

In the collection, zirconia sparkle from within six different glass beads, made in Murano glass. The glass beads are all in two matching colours.

Style the colourful glass beads on bangles, bracelets, necklaces or even rings. Mix with silver and gemstones for an elegant expression, or keep it simple with just the single bead on a sterling silver or gold plated bangle.

Trollbeads is the original, high quality bead-on-bracelet brand with hundreds of beautiful beads to pick and choose from – each a little work of art - so that every bracelet becomes entirely personal.

### Exquisite craftsmanship

Trollbeads is world famous for the enchanting way it plays with glass. All glass beads are handmade in front of a red-hot, open flame. Trollbeads jewellery is made from the highest quality raw materials, including 18 karat gold, Sterling silver, Italian Murano glass, freshwater pearls, amber and precious gemstones.

The exquisite craftsmanship of Trollbeads' jewellery is only truly complete when you match the different beads that tell your stories in your own personal way. This is the true beauty of Trollbeads.

The Twinkle Limited edition can be mixed and matched with existing and new jewellery - any way you like. The collection is available in stores and online from **July 29, 2022**.
