There is a fresh wind. Light is reflected in the water and waves keep crushing against the pier. In the sky above, clouds are playing dramatically. Even though it's a windy day, a feel of summer is floating through the body. And so close to you, wildlife in the ocean unfolds.

Suddenly a dolphin is playfully jumping over the waves. It is a reminder to keep watching for wonders and never stop believing in dreams.

People are made of stories. Some are defining and some are just for fun. Keep your eyes open and be ready to create new stories. And remember that even a tiny drop causes a ripple.

Trollbeads is the original bead-on-bracelet brand with literally hundreds of beautiful beads to pick and choose from – each a little work of art - so that every bracelet becomes entirely personal.

### **The dolphins are playing in the ocean**

Dolphins are playing in the silver designs of the new collection. All silver designs are created by the new Trollbeads designer, Milos Tutus.

Dolphins are very social and playful mammals. They form friendships that last decades hunting, mating and protecting each other. They like to surf in the waves and wakes of boats and swim through self-made bubble rings. Dolphins are believed to be some of the smartest animals on Earth, and they send messages to one another in many ways.

### **Even a tiny drop causes a ripple**

The Dolphins Delight collection brings you 6 new, very decorative limited edition glass beads. Dive into the water and meet the magnificent dolphins and fish of the underworld. Ride the waves. Breathe the salty air. Play. Follow the rhythm of the water and feel free.

Trollbeads is world famous for the enchanting way it plays with glass. All glass beads are handmade in front of a red-hot, open flame.
